

Accessories for down-

What is adaptive wear for people with Down syndrome?

Adaptive wear includes fashionable and inclusive choices, ensuring individuals with Down Syndrome feel confident and stylish. Adaptive pants for individuals with Down syndrome are designed to ensure that the wearer feels comfortable throughout the day and that the pants can be put on and off easily, without any stress or frustration.

Are adaptive Bras good for women with Down syndrome?

Adaptive bras are designed to provide comfort and support for women with Down syndrome along with multiple easy ways to put it on and off. These bras often feature front closures and adjustable straps, making them easier to put on and take off without needing extensive arm movement. Some adaptive bras can even be put on with just one hand!

Are gripper socks good for Down syndrome?

Gripper socks are an excellent choice for individuals with Down syndrome, providing both comfort and safety. These socks feature non-slip grips on the soles, which help prevent falls and provide stability, particularly on slippery surfaces.
