

Dianjiang 90 down-the-hole drilling rig

JK730-2 crawler mounted automatic rod exchange DTH drill rig is a hydraulic DTH drill rig. It is equipped with automatic rod changer for rod storage, changing and connecting automatically, ...

Down the hole drilling machine, manufactured by YG Machinery, is widely used for mining and construction. Down the hole hammer drill rig for sale!

Prodrill Down-The-Hole Drilling Machine, DTH drill rig, DTH driller, Diamond wire saw machine, granite quarrying machine, quarry rock drills for granite quarrying

SANDVIK D90KS ROTARY BLAST HOLE DRILL TECHNICAL SPECIFICATION 29 to 349 mm 13 3/4" diameter holes. This modern design, excellent visibility, powerful slewing, and strut-less ...

Feida Mining Machinery Co., Ltd. has been researching and producing water well drilling rig, DTH drilling rig and supporting equipment for 20 years. FY series ...

KG590/KG590H Down The Hole Drill Rig For Open Use can drill vertical, inclined and horizontal holes, used for drilling and pre-splitting holes in open pit mines and stone works, etc.

ZDKH720 Surface Down The Hole Drill Rig ZDKH720 Surface DTH Drilling Rig is the Plus version of the KH712. Upgrade the hydraulic system, increase the system flow, improve the rotary ...

KQTG-150 Down-The-Hole drilling rig offers excellent fuel efficiency, improved safety and higher productivity in challenging rock conditions, which is used for ...

China Down-The-Hole (DTH) Mining Drilling Rig catalog of Kqtg-150 Down-The-Hole (DTH) Mining Drilling Rig, High-Performance Down-The-Hole (DTH) Mining Drilling Rig provided by ...

RCZ440 hydraulic automatic DTH drilling rig, Compact size but powerful drilling capability. Applicable in surface quarry mining and varieties of bench blast hole drilling for mid soft and ...

1. Using its single power to drive the screw air compressor and drilling rig hydraulic system at the same time, compared with the separated DTH drilling ...

Discover how the right down-the-hole (DTH) drill rig can boost your mining and construction efficiency. Learn about rig types, key features, and ...

Leopard(TM) DI650i is an intelligent diesel-powered, self-contained, crawler-mounted down-the-hole drill rig

Dianjiang 90 down-the-hole drilling rig

built for demanding high-capacity production drilling applications in surface mining and ...

Our Machine Programme All our drilling rigs are available with a wide variety of methods including for geothermal energy, water well, down-the-hole surface ...

The company has a variety of closely advanced CNC machine tools, which requires each drilling rig accessories to be accurate in the processing process, so that the performance of the ...

Down-the-hole drilling rigs | Choosing the right drilling rig You could need a drilling rig for a multitude of applications, for example to drill a well to access a natural resource (water, oil, ...

Different Types of DTH Drilling Rigs Down the hole drilling rig is to make the impactor dive into the hole in the process of rock drilling to reduce the energy ...

Our small down the hole drilling rig, or DTH driller, is a kind of efficient, energy-saving, and cost-effective rock drilling equipment. It is designed all by ...

The DTH drilling rig (down-the-hole) is a highly efficient rock drilling equipment used in open-pit mines, stonework projects, road construction, and other scenarios. It is also called a shallow ...

In recent years, the demand for efficient drilling technologies has surged, particularly in the context of China's booming energy sector. DTH (Down-The-Hole) drilling rigs ...

Cat Rotary Blasthole Drill Rigs offer substantial technology, efficiency and productivity improvements to efficiently reach your mining targeted productivity rates. Learn more about ...

ZDKH612 Surface Down The Hole Drill Rig Close to the real needs of customers is the basic principle of ZDKH612. Lower use and maintenance ...

Reliability and safety: The drilling tool rotation directly driven by the low-speed and high-torque hydraulic motor, and the mechanical seal ...

Looking for a reliable and affordable down the hole drilling machine? YG Machinery offers complete DTH drilling solutions including rig, air compressor, ...

Company Introduction: Mengyin Feida Mining Engineering Machinery Co., Ltd. is one of the largest manufacturers of water well drilling rigs and down-the-hole drilling rigs in Shandong ...

We are a professional manufacturer. Our factory mainly produces water well drilling rigs, core drilling rigs, down-the-hole drilling rigs, pile drivers, etc. The products have been exported to ...

Dianjiang 90 down-the-hole drilling rig

High Productivity: This DTH crawler drill rig is designed to provide high productivity in various construction and mining applications, ensuring efficient drilling operations and minimizing ...

YG specialize in the production of DTH drilling machine. Ideal choice for blasting holes in limestone, bluestone, granite, soil, etc.

In down-the-hole drilling a drill rod is fitted with a hammer at its lower end. The hammer, which is mounted on the drill bit, is activated through the addition of compressed air and driven into the ...

Our intelligent surface drill rigs bring the latest technology to surface mining applications. Designed to work in the toughest operating conditions, our ...

TAIYE 's DTH rig machine has high reliability, adaptability, and safety for extreme working environments. They are suitable for blasting perforation of soft rocks, ...

When the project is rushed, the equipment suddenly breaks down, and there is no reliable drilling rig supplier in the remote mine. The single-function equipment cannot cope with complex ...
