

Hai Ning Yongmagnetic Screw Air Compressor Official Website

Is CMN the world's first oil-free screw air compressor?

With continued R&D investment, CMN, the screw air compressor manufacturer in China, has launched the world's first 40-bar oil-free screw air compressor with a water-lubricated air end and the world's first 1.2 MPa scroll air compressor, which filled an international gap.

Who is Shanghai screw compressor?

Shanghai Screw Compressor Co.,Ltd. is committed to the research and development,manufacturing,sales and service of air compressor. In the earlier stage,SCR take use of Germany technology to build compressor. In 2018,SCR become a joint venture company with Japan Anest Iwata,which introduce technology and quality management system from Japan.

Why should you choose CMN as an industrial air compressor supplier?

In 2015, CMN, as an industrial air compressor supplier, unveiled the world's first 40-bar pressure oil-free screw air compressor, showcasing our commitment to innovation. Currently, our facility for industrial screw compressors in China spans nearly 58,000 square meters, employing over 100 dedicated professionals.

Who is CMN air compressor?

Since its establishment in 1960,CMN,the screw air compressor supplier,has consistently pioneered advancements in single-screw compressor technology and always prioritized product stability and performance. In 2004,CMN expanded its global footprint with the establishment of its production base in Zhejiang,China.

Why should you choose CMN oil-free air compressors?

Our high-efficiency, oil-less air compressors provide comprehensive solutions for all kinds of applications that require compressed air. Furthermore, CMN oil-free air compressors, distinguished by an advanced no-lubricating oil feature, are prominently utilized in industries demanding compressed air with exceptional purity.

Who makes the best compressed air piping?

Championhas the best solution for compressed air piping providing total solutions for air,vacuum and inert gas systems. With the compressed air market's widest breadth of products - reciprocating,rotary vane,rotary screw and rotary scroll - choosing the right product for the application is key to continuing the success that was started in 1919.
