

Ukrainian internal combustion drill Rock drilling machine manufacturer

What is a YN27C Rock Drill?

Rock drilling tools manufacturer ProDrill: YN27C gasoline rock drills or petrol driven rock drill machine is powered by gasoline engine, without using air compressor, a very efficient machine with the characters that the structure is very compact, less of the easy-to-damage parts, and very easy to control.

What is a rock drill used for?

It can adapt to these outside situations there is no water and no electronic power. It is a kind of hand-held drill built up with gasoline engine, air pump, rock drill and the rotation plum bum equipment for running or stop. It can be used as a tool for breaking, percussive drilling, tamping besides rock.

What are the characteristics of a drilling machine?

The machine has the characteristics of easy operation, time saving, labor saving and fast drilling as well as high efficiency, etc. It is now reached the first level of the same kind products and all of its parts are interchangeable with international homogeneous products.

YN27C rock drilling with gasoline weight: 27KG engine capacity: 185cm³ The tail bit shank size drill rod: 22x108mm deepest depth of the borehole: >=6m Product ...

Description YN27C internal combustion rock drill is an efficient hand-held tool designed for mining, quarrying, construction work, and various rock drilling operations. It ...

Zhongtuo offers low price internal combustion rock drill & stone cut machines from its factory. Buy and wholesale cheap products from professional DTH Drill ...

Description The internal combustion gasoline rock drill model YN27C is a portable rock drilling tool, combined of a small petrol engine, an air compressor and a ...

YN27C internal combustion rock drill is an efficient hand-held tool designed for mining, quarrying, construction work, and various rock drilling operations. It adopts an internal ...

The Internal Combustion Rock Drill Has The Functions of Splitting, Crushing, Tamping, Shoveling, Etc. for Mining, Cement Pavement, Asphalt Pavement, ...

YN27C hand-held internal-combustion rock drill is a hand-rock drilling tool which integrates small gasoline engine, compressor and rock drill. It is easy to be carried along, be suitable to work ...

Warranty: 1year Type: Drill Tools Application: Rock Drill Machine Certification: CE, ISO9001: 2000, API

Ukrainian internal combustion drill Rock drilling machine manufacturer

Condition: New Drilling Diameter: 32-65mm

Features of YN27 hand-held internal combustion rock drill 1. YN27 hand-held internal combustion rock drill is a hand-held rock drilling tool composed of a ...

Rock Drilling Machines - You find here 13 suppliers from China Germany Ukraine and Russia. Please obtain more information on spare parts, servicing, maintenance, Repair, repair or ...

YN27C Gasoline Rock Drill Mini yn27c gasoline rock drill machine is a hand-operated rock-drilling tool, composed of a small gasoline engine, an air compressor and rock drill. Application of ...

The internal combustion rock drill type YN 27C is a hand-operated rock drilling tool, composed of a small petrol engine, an air compressor and a rock drill. It is ...

It is a kind hand held drill built up with gasoline engine, air pump, rock drill and the rotation plum bum equipment for running or stop. It can be used as a tool for breaking, percussive drilling, ...

Core Drilling Rig, Pile Drilling Rig, Rotary Drilling Rig manufacturer / supplier in China, offering Mining Drilling Bit 102mm 115mm 127mm High Performance Rock Button Drill Bit, Top ...

YN27C Internal Combustion Rock Drill / PETROL DRIVEN ROCK DRILL MACHINE for Drilling and Jack Hammer YN27C with Tapered Drill Rod ...

Rock Drill Model: YN27C Function: Rock Drill/Jack Hammer Weight: 27KG Overall Dimension: L746*W315*H229mm Diameter of Engine Piston: 58mm Stroke of Engine Piston: 70mm ...

Today, Discovery Drilling Equipment LTD (Ukraine) is a company in the development and manufacture of complete drilling rigs and components for drilling and maintenance of oil and ...

The internal combustion rock drill YN27C is a portable rock-drilling tool, combined of a small petrol engine, an air compressor and a rock drill. During operation, ...

High Drilling Efficiency: The YN27C Gasoline Rock Drill Machine is designed to provide high productivity, making it an ideal choice for breaking works, digging, and splitting or ramming ...

ProDrill manufactures Gasoline rock drills, internal combustion rock drill, rock drilling equipment, gasoline engine rock drills, tapered drill rod, tapered button bits for 15 years

Gasoline Internal Combustion Rock Drill Type YN27J is a very efficient machine with the special feature that the structure is very compact, Less of the-easy-to ...

Ukrainian internal combustion drill Rock drilling machine manufacturer

YN27 Inter Combustion Gasoline Rock Drill is a very efficient rock drilling machine, composed of gasoline engine, air pump, rock drill. It adapts to these outside situations without water and ...

Handheld YN27C internal combustion rock drill Save time and effort and chisel fast YN27C internal combustion rock drill has the functions of drilling, splitting, ...

Zhongtuo offers low price gasoline-driven internal combustion rock drills from its factory. Buy and wholesale cheap products from professional Concrete Splitter manufacturers and suppliers in ...

The YN27C Internal Combustion Rock Drill / Rock Breaker Drilling Machine is a versatile and adaptable tool that can be used in a wide range of environments. ...

It is a small type of rock drill composed of a power machine, working machine, and air compressor in one. It is powered by a small gasoline engine and used ...

About this item 2-Stroke Gasoline Internal Combustion Rock Drill Drilling Machine: The engine load speed (measured when drilling five holes) is more than or equal to 2450rpm, ...

Internal-combustion rock drill 1. YN27 hand-held internal-combustion rock drill is a hand-held rock drilling tool which integrates the small gasoline engine, compressor and rock drill;2. The ...

The Internal Combustion Rock Drill Has The Functions of Splitting, Crushing, Tamping, Shoveling, Etc. for Mining, Cement Pavement, Asphalt Pavement, etc. It is Widely Used in Mines, Road ...

Epiroc is a one of the leading drill rig manufacturers in the world. We offer rock drilling machines and other equipment for many different applications. For example; oil and gas, construction ...

The internal combustion rock drill does not need to replace the internal parts of the machine head. It only needs to move the handle as required to start operation. It is easy to ...

The internal combustion rock drill type Pionjar 120 is a very efficient hand held drill machine built up with gasoline engine, air pump, rock drill and the rotation plum bum equipment for running ...

Zhongtuo offers low price gasoline-driven internal combustion rock drills from its factory. Buy and wholesale cheap products from professional Concrete Splitter ...
